Dear Service Provider

REQUEST FOR PROPOSAL: Dental Managed Care Services - RFP 003/2022

Introduction

As the existing Dental Manage Care Services contract terminates on 31 December 2022 with the current service provider, Bonitas Medical Fund (“the Scheme” or “Bonitas”) has embarked on a Request for Proposal (RFP) exercise. The process will allow the Scheme to benchmark on the current services and pricing against other service providers. This exercise will also ensure that the Scheme continues to apply the principles of good corporate governance by evaluating all service providers at regular intervals.

Background

Bonitas is an open medical scheme registered in terms of the Medical Schemes Act of South Africa, No. 131 of 1998, as amended (“the Act” or “MSA”) under registration number 1512. The Scheme is incorporated and domiciled in the Republic of South Africa. Bonitas is one of the top three medical schemes registered in South Africa and one of the top two open medical schemes in the country. The Scheme is administered by Medscheme Holdings Proprietary Limited (“the administrator”). We have been in operation for forty years providing cover for more than 730 000 lives. The Scheme offers twelve (12) registered options and three (3) efficiency discount options (“EDO”) to suit a range of member needs.

All suitably qualified service providers / respondents / registered managed care organisations are expected to fully acquaint themselves with the conditions, requirements, and specifications of this RFP before submitting the requested information. Failure to do so will be at the respondents own risk and the respondent cannot secure relief on the grounds of any mistakes. Bonitas will not be held liable for any costs incurred by all respondents in connection with their response to this RFP.

To facilitate the review of all submissions, the Scheme requires that all interested, suitably qualified service providers / respondents / registered managed care organisations submit comprehensive information. Only the requested information should be provided. The Scheme requires clear, concise, and factual responses.

The proposal submitted by the respondent constitutes an offer. All respondents are required to provide a full written response to this RFP.

For a set of our Annual Report or details on the benefit options, we refer you to our website at www.bonitas.co.za.

Confidentiality

This information document may not be used for any purpose by the respondent other than for developing their response to it and all reasonable efforts must be taken by the respondent to ensure confidentiality of any information provided. This document and any other information of a confidential nature provided to the respondent during the course of this RFP process are and shall be covered by a written undertaking.

Bonitas however, reserves the right to share the information received from interested parties with its administrator, legal and financial advisors, and any other entity or person who advises Bonitas on matters relating to the purpose for which this RFP is issued.

Scope of services

1. A dedicated and extensive dental network within all provinces.
2. Management of the network and non-network dental service providers for purposes of cost containment and improved access to treatment for members, including communication to all dental service providers on the Scheme's rules and/or relevant information. This service shall include but not be limited to monitoring the profiles of dental service providers on the network or out of network, contracting new dental service providers and reporting to the Scheme on all matters pertaining to the network.
3. The receipt, clinical processing and payment of approved dental claims that comply with the benefit rules and clinical protocols. This shall include payments to dental service providers and/or members.
4. Provide detailed remittance advice notices to dental service providers and members pertaining to treatment rendered.
5. Provide a clinical pre-authorisation function, where applicable.
6. Provide a clinical advisory service, as may be reasonable required by the Scheme.
7. Fraud, waste and abuse monitoring and interventions across the network and non-network dental service providers and claims.
8. Dedicated call centre for Bonitas members, the Scheme's administrator and dental service providers.
9. Ability to electronically interface via secure means with the Scheme's administrator and/or managed care service provider for data transfer, which may include membership data, claims data, authorization data.
10. Provide the Scheme members and/or dental service providers with a formal mechanism which deals with appeals, complaints and/or disputes, which mechanism does not prevent the complainant from lodging the matter with the Scheme or the Council of Medical Schemes.
11. Provide comprehensive and detailed operational reporting to the Scheme on a monthly basis, which shall include but not be limited to SLA reporting, utilisation per option, trends identified, financial reporting reflecting all transactions, etc. This will also include information and technology (I&T) reporting requirements as per the Schemes I&T Governance Framework.
