BE BETTER BENEFIT

WHAT IS THE BE BETTER BENEFIT?

This unique benefit provides access to a variety of health screenings, tests and vaccines for all life stages, helping with early detection of health issues, and allowing for timely intervention. It's funded entirely from risk, meaning your savings and day-to-day benefits last longer!

Covers tests and screenings to help detect and manage health conditions like breast cancer and cervical cancer, and also includes a contraceptives benefit.

Covers tests and screenings to help detect and manage health conditions most common in men, like prostate cancer.

Covers health risk assessments to help detect health conditions like, high blood pressure, diabetes and cholesterol.

Access to tests, screenings and vaccines to help detect, prevent and manage health conditions like, hearing loss, heart disease, meningitis, pneumonia and HIV.

BE BETTER BENEFIT for all life stages

Women's health

Men's health

Wellness screening

Preventative care

Children's health

Access to vaccine courses and preventative dental care to help keep your children healthy as they grow older.
