CAN I REGISTER MY NEWBORN TELEPHONICALLY?

If you are self-funding your membership (paying your contributions directly and not through your employer) you can call **0860 002 108** to register your newborn without providing documents at the time.

Please note: A copy of the birth certificate must still be submitted to the Scheme within 30 days from the birth of the newborn.

04

LATE REGISTRATION

If you fail to register your newborn within the specified timeframe (30 days), your newborn will be subject to full underwriting as per Scheme Rules.

05

GRANDCHILDREN BORN INTO THE SCHEME

If the newborn is a grandchild of the main member, they will be classified as a special dependant and be subject to full underwriting. However, if the parent of the newborn has been an active member on the grandparent's membership since the start of the pregnancy, and the newborn is registered within 30 days, no underwriting will be applied.
